

IEP Spanish Rate Sheet — 2026-2027 School Year

IEP Verified™

\$85 up to 25 pages — \$3 for each additional page

Independent verification of IEPs and other SPED documents

Designed to support districts using in-house, third-party, or AI-assisted translation workflows.

Includes

- Full document review
- Terminology correction
- Correction of wording and natural Spanish

Note

- Both the original English document and the Spanish translated version will need to be submitted
- The district will be notified before proceeding if a document requires **substantial rewriting or an unusually high level of verification**.

Minimum service fee per document: \$85

IEP Spanish Summary™

\$60 up to 10 pages — \$4 for each additional page

Clear, concise summaries of selected pages from SPED documents

A simple **Service Request Form** lets you specify the requested page range(s) and any special instructions.

Minimum service fee per document: \$60

Complete Translation

Professional-quality translations prepared for official school use

\$0.08 per word

Translation Service:

IEPs, PSYs, parent letters, educational evaluations, and related educational documents.

Includes tables, forms, student performance charts, and standard IEP formatting*

*** The re-creation of complex graphs, images, and form layouts is quoted separately, if requested.**

However, all key concepts will be included in the translation, even when complex graphs, images, or form layouts are not recreated.

To request services, please complete the Service Request Form and email it to

officemanager@iepspanish.com

A written quote will be provided. Work will begin upon email approval.
